

## CHAPTER XI.

And sure enough, two or three years afterward, we did hear him again. News came to the Pacific coast that the Vigilance Committee in Montana (whither Slade had removed from Rocky Ridge) had hanged him. I find an account of the affair in the thrilling little book I quoted a paragraph from in the last chapter--"The Vigilantes of Montana; being a Reliable Account of the Capture, Trial and Execution of Henry Plummer's Notorious Road Agent Band: By Prof. Thos. J. Dimsdale, Virginia City, M.T."

Mr. Dimsdale's chapter is well worth reading, as a specimen of how the people of the frontier deal with criminals when the courts of law prove inefficient. Mr. Dimsdale makes two remarks about Slade, both of which are accurately descriptive, and one of which is exceedingly picturesque:

"Those who saw him in his natural state only, would pronounce him to be a kind husband, a most hospitable host and a courteous gentleman; on the contrary, those who met him when maddened with liquor and surrounded by a gang of armed roughs, would pronounce him a fiend incarnate."

And this:

"From Fort Kearney, west, he was feared a great deal more than the almighty."

For compactness, simplicity and vigor of expression, I will "back" that sentence against anything in literature.
